PANNAR VERTEENWOORDIGER: Anina Snyman, 082 454 5543, *Ermelo*	

Ek het altyd geweet ek wil 'n boer word. Ek het byna voltyds saam met my pa op die plaas begin werk vanaf 12-jarige ouderdom. Ek het alles van plant tot oes gedoen. Die Ou Waenhuis Boerdery is 'n derdegenerasie-familiebesigheid. Ek boer nou al 20 jaar en is steeds versot op die masjiene – die trekkers en stropers. Dit is waar my liefde vir boerdery begin het. Ek het verlief geraak op al die fasette van boerdery, om met diere te werk en gewasse te verbou... Ek is mal daaroor om dinge te kweek. Dit is in my bloed. Ek gebruik Pannar se produkte al baie lank. Ek is passievol oor Pannar en hulle is passievol oor my. Daar is nuwe of jong boere wat verkies om te kyk hoe die werk gedoen word. Dit werk nooit nie. My raad is om hard en met passie te werk indien jy suksesvol wil wees.

3.4.1. Subject to paragraph 3.4.2 below, lots on the timed auction will close as per the specified date and time per lot as advertised on the online bidding platform, subject to an Extension Period. The closing of lots may be staggered.

3.4.2. In the event where bidding on a lot will close and a bid is received within two (2) minutes of the published closing time, the time to enter a bid shall be automatically extended for an additional period, which period is customarily two (2)minutes, but may vary from time to time (the "Extension Period").

3.4.3. A lot will not close if a bid is received during an Extension Period and shall automatically be extended for a further Extension Period. A lot will only close if a final bid on the lot stands alone for a period equal to the Extension Period. The lot will only close if a final bid on the lot is received and stands alone for a period equal to the Extension Period.

3.4.4. The "fall of the hammer" on a lot for the purposes of the timed auction is defined as the date and closing time published on the online bidding platform and/or the Seller's/Auctioneer's public websites, alternatively at the date and time a final bid on a lot stands alone for a period equal to the Extension Period, whichever occurs last.

3.4.5. All lots on sale on the timed auction will have a minimum starting bid price which will be indicated on the online bidding platform. Any bid above the minimum starting bid price will not necessarily be successful as the lot may be subject to a reserve price. Should the reserve price not be met, the lot will not be sold and shall be marked to be 'Subject to Confirmation (STC)'. Should the aforementioned occur it is advised to make contact with the Auctioneer as soon as possible to obtain instructions from the Owner/Seller to explore the viability of entering a transaction. This does not create any right of refusal nor does it impose an obligation on the Owner/Seller or the Auctioneer to enter any transaction.

3.4.6. The minimum bidding increment may vary per lot but is specified on the online bidding platform.

3.4.7. Once a bid is made it cannot be withdrawn.

3.4.8. Neither the Auctioneer, the Sellers' or the Auctioneer's representatives will be liable for any failure in connectivity or software while using the online bidding platform.

3.4.9. Neither the Auctioneer, the Sellers or the Auctioneer or Sellers' representatives will be liable for software failure of any nature.
