LOT SPONSORS

FOREWORD FROM OUR CHAIRMAN

WRSA
WILDLIFE RANCHING SA

Dear WRSA members and industry stakeholders,

Every great legacy begins with a foundation. Tonight, as we gather for one of the most important events on our calendar, we are not just bidding on extraordinary experiences, items and wildlife - we are investing in the very foundation of our industry's future.

Over the past year, WRSA has worked relentlessly to lay down deliberate, strategic cornerstones that will carry our industry for decades to come. From the outcomes of the Sustainable Wildlife Economy Project (SWEP) to the recognition of our sector's scientific credibility in national and international decision-making forums such as CITES, we are proving that the wildlife ranching model is not just sustainable, it is resilient and essential.
But none of this happens by chance. Behind every breakthrough, every policy victory, and every innovative system, stands the unwavering commitment of our members. It is you, the game ranchers, the visionaries, the custodians of South Africa's wildlife, who make this possible.

The WRSA Fundraising Auction is more than a fundraising event. It is a statement of our unity. It is the day we look beyond individual farms and interests to secure the future of our shared industry.

The proceeds raised tonight will strengthen our ability to defend your interests, champion science-based advocacy, invest in research, and build the institutional structures that keep us at the decision-making table.

The world's perceptions of wildlife use are shifting faster than ever. To meet these challenges, we must stand on solid ground - foundations that we have built together, brick by brick. Tonight, every donation and every bid becomes part of that structure. You are not only supporting WRSA, you are safeguarding the future of wildlife ranching in South Africa.

On behalf of the WRSA Board and team, thank you for standing with us. Thank you to every donor, buyer, and supporter for the trust you place in this organisation.

Enjoy the evening, and let us continue to lay the strongest foundations possible for the generations to come.

Warm regards,
Colin Engelbrecht
WRSA Chairman
